How to Use Our Website

1. Registration and Login
- Registration:
  - Click on the "Register" button on the homepage.
  - Fill in your details such as name, email, and contact numbers.
  - Create a username and password for your account.
  - Click on "Submit" to register successfully.

- Login:
  - Enter your username and password on the login page.
  - Click on "Login" to access your account.

2. Homepage Navigation
- Browse Properties:
  - On the homepage, browse through the available properties listed.
  - Click on a property to view its details.

- Explore Services:
  - Navigate to the services section to view the range of services offered.
  - Click on a service to see its description and pricing details.

3. User Dashboard
- Profile Management:
  - Update your profile information, including contact details.
  - View properties you own and manage their status (available or not for sale/rent).

- Listing a Property:
  - Click on "List Property" to add a new property to the system.
  - Fill in the property details such as description, price, and availability.
  - Upload images of the property for better visibility.

- Booking Services:
  - Explore the services available and select the desired service.
  - Fill out the booking form with details like date, time, and property.
  - Receive confirmation of your booking and track its status.

4. Admin Portal
- Admin Login:
  - Access the admin portal using the provided credentials.
  - Manage users, properties, services, and bookings.

5. Property Pages
- Property Listing:
  - Browse through available properties for sale or rent.
  - Click on a property to view detailed information, including images and location.

- Update Property:
  - Owners can update their property details, such as description, price, and availability.
  - Manage the availability status of properties (put on sale or remove from sale).

6. Additional Pages
- Privacy Policy:
  - Read and understand how we handle your data and privacy.

- Terms and Conditions:
  - Review our terms and conditions for using our services.

7. Support and Assistance
- Contact Us:
  - For any queries or assistance, use the "Contact Us" page.
  - Reach out to our support team for help with bookings, property management, or any other issues.
